RE: Scholarship Application 2017-2018

Saxtons River Montessori School (SRMS) recognizes that an offer of financial assistance may be an important factor in your decision to enroll your child at SRMS.

If the enrollment of your child at SRMS is dependent upon receiving financial assistance, you may opt to delay the acceptance until the scholarship awards are made. The exact amount of the award will be determined by the number of students applying for financial aid as well as the amount of funds available for disbursement.

A special SRMS Scholarship Committee reviews all financial aid applications and determines the amount of each scholarship. No SRMS parent, staff, or Board Member serves on this initial committee. All financial information provided to the committee is kept strictly confidential and is returned to you once a determination is made.

If you wish to apply for financial assistance, please complete and return the Scholarship Application Form to SRMS by July 30, 2017.

Late applications will be considered only if there are scholarship funds available. Please contact me with any questions you have about the scholarship process or any other enrollment matters.

Please note that families receiving publicly funded preschool monies from the state will likely not be considered for much additional financial aid, as that is the purpose of the state monies.

Thank you.
