RE: Scholarship Application 2016 - 2017

Saxtons River Montessori School (SRMS) recognizes that an offer of financial assistance may be an important factor in your decision to enroll your child at SRMS.

If the enrollment of your child at SRMS is dependent upon receiving financial assistance, you may opt to delay the acceptance until the scholarship awards are made. The exact amount of the award will be determined by the number of students applying for financial aid as well as the amount of funds available for disbursement.

A special SRMS Scholarship Committee reviews all financial aid applications and determines the amount of each scholarship. No SRMS parent, staff, or Board Member serves on this committee. All financial information provided to the committee is kept strictly confidential and is returned to you once a determination is made.

Building Bright Futures is a state program that offers tuition assistance for eligible families, based on income and child care need (e.g. parents work or go to school, etc.) To check to see if your family is eligible, go to <http://www.brightfutures.dcf.state.vt.us> and click the Child Care Benefits tab.

If you wish to apply for scholarship aid, we ask that you first check to see if your family is eligible for Bright Futures tuition assistance. Then, complete and return the Scholarship Application Form to SRMS by **May 30, 2016**. Late applications will be considered only if there are scholarship funds available. Scholarships will be awarded in mid-June.

For any questions you have about the scholarship process or any other enrollment matters, please email admin@srmontessori.org or call 802-869-3349.

Thank you.
